

Updated 2/21/25

KEYS Classes by Subject 2025-26

This list is a reference for classes we are considering next year.

*This information will determine class sizes and **what courses have enough interest to include in the schedule.***

To learn more about these classes, please visit the website: www.keysofva.org. Double-click on each class name to learn more about the objectives, prerequisites, and textbooks required by the teacher.

Science classes often require proficiency in math skills which must be taken into consideration before signing up for classes. Please read the prerequisites carefully to ensure the academic success of your child.

Fine Arts Classes

This list is provided as a reference of classes we are considering for next year.

*This information will determine class sizes and **what courses have enough interest to include in the schedule.** Because you see it listed here does NOT mean that it will end up in the final schedule.*

To learn more about these classes, please visit the website: www.keysofva.org. Double-click on each class name to learn more about the objectives, prerequisites, and textbooks required by the teacher.

(M) Denotes a MOST Ensemble. Students enrolling in these Fine Arts ensembles must pay a non-refundable \$50 deposit at registration and six payments of \$75 September - February for the 2025-26 MOST to Lancaster, PA scheduled for mid-April. Students in Advanced Band may be eligible with instructor recommendation. *(Students who sign up for Tech Team will also attend the MOST Trip and must pay associated fees.)*

***** Art II, Intermediate and Advanced Band, Intermediate and Advanced Guitar, Concert Choir, A cappella Ensemble, Intermediate and Advanced Percussion, Intermediate - Chamber Strings, and Praise Team all require you to contact the teacher for permission or pass an audition to enter the class. Students who sign up at registration without permission from the teacher will be removed.
